Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

The examiner called the Attorney of Record to discuss a U.S.C. § 112 Second Paragraph issue with the newly amended claim 34. Claim 34 in line 13 recited: "the user may request", which presented the limitation in the alternative mode. The examiner proposed changing "the user may request" to "the user requests" to overcome the 112 second paragraph issue. The attorney agreed, and authorized the examiner to enter the change via an Examiner's Amendment.
